Dear Sir:

Thank you for your signed application for membership, which I will be very glad to present to the Council at its next meeting. I will then acquaint you of their action which, I have every reason to believe, will be a favorable one.

Mr. Sydney P. Noe,
Secretary American Numismatic Society,
Broadway at 156th Street,
New York City.

Dear Sir:-

Permit me to present the name of
Mr. Fred E. Collins, 917 Salina Street, Watertown, N.Y.,
for membership in the American Numismatic Society.

I notice in the proceedings for 1923 that you
desire an increased membership. Although there are not
many numismatists in Watertown, it may be possible to
obtain one or two more applicants if you so desire.
It would be very fine for us to have a local nucleus of
five or ten American Numismatic Society members, for such
a group could be called together informally once or twice
a year for small exhibitions and discussions of numismatic
subjects.

Will you kindly advise me regarding the
different grades of membership:- Life Fellow, Fellow,
Life Associate and Associate.

Will you please quote me prices for the back
numbers of the American Journal of Numismatics:-

1866-1870	—	48-53 - 5-24c.
1870-1912	—	1-47
1913-1920	—	11-00 120
1921-1922	—	

I regret that I am not at present in a position to obtain
this set complete, although I may be able to do so after
the first of the year. Therefore, if you will give me
a quotation by groups I may be able to pick up the set
one section at a time.

In regard to the Christmas proposition, I will
be pleased to furnish the Society with a subscription to
Arethuse, a new French quarterly, if you have not already
subscribed to this magazine. I am not very well prepared
to send you any coins or medals this year.

Very sincerely yours,

George Revilo Carter

Dear Sir:

Your letter of December 3rd gave me much pleasure, and I shall present the name of Mr. Collins at the next meeting of our Council - December 14th.

We do desire to increase our membership, and anything more that you can do in this line will be of great assistance. Such a local nucleus of numismatists as you propose cannot fail to be stimulative. More power to you!

There are only two classes of active members - Fellows and Associates. The former pay \$15 and the latter pay \$5 annually. The Fellows are limited to 150 in number. One can become a Life Fellow for \$250, and a Life Associate for \$100. Fellows are elected only from the roll of Associates.

Regarding the set of the American Journal of Numismatics, if you desire a complete set I think we can offer some inducements. We have several sets which have the early numbers bound in brown Morocco, which is only slightly worn. The first two volumes have four years in each, and volumes 9-29 are bound with three years in each volume. The cost of the entire set, unbound, is \$130, but we can let you have this set with the first 29 volumes bound as above, and a set of Proceedings, 1878-1892, to match for \$145. And this can be paid at your convenience - that is, you need not pay at all on it until after the first of the year.

I hope that this suggestion will appeal to you.

The library already has subscribed for Arethuse, of which you have so generously offered to bear the cost of subscription. You will probably have received the Christmas letter in the meantime, but I appreciate your having anticipated it and in having your suggestion take the form of a contribution to the library. If you desire to have the subscription in your name, we can easily alter our record. The cost at the present rate of exchange would be, roughly, \$1.50

Hoping to have the pleasure of greeting you at our Museum some time, I am,

Very truly yours,

New York City.

Dear Sir:-

Enclosed please find two Napoleonic medals to
be used as my Christmas gift to the Society.

The Sovereignties of 1806, Bramsen No. 553.

The Mount Cenis Monument, Bramsen No. 1233.

I regret that I have not a larger number of
duplicates from which to make this selection.

In regard to the set of the American Journal of
Numismatics, on which you quoted, I shall not be able to make
a decision until after the first of February.

It was to be supposed that you would have
subscribed to Arethuse. I merely mentioned it in
writing at the time. Similarly I suppose that you will
receive from Lugano, Switzerland, M. Ratto's catalogue
for his sale of January twenty-three covering "Monnaies
de la Republique Romaine". If you do not expect to
receive a catalogue direct, I will gladly forward my
copy for your use when it arrives.

Very sincerely yours,

George Revilo Carter.

George Revilo Carter, Esq.,
219 Park Street,
Watertown, N. Y.

Dear Sir:

Thank you very much indeed for your card of Christmas greeting, which I received today. I trust this will be a happy season for you too. It is very pleasant to have been remembered by you.

Regarding your letter of the 20th, we received your two Napoleonic medals and they are now reposing in the case with the other Christmas gifts to the Society. We are very glad indeed to have them.

I note what you say about Ratto's catalogue, and we have already received a copy. If, however, you do not desire to retain such catalogues for your own use, if you will allow them to accumulate, and send them on in a package later, we can use duplicate copies and file them either for cutting and mounting later, or for possible need of members who may not have received a copy.

Very sincerely yours,

Secretary.

Dear Sir:

Will you kindly forward us your change of

Attention of Mr. Sydney P. Noe.

Gentlemen:

Although I was attempting to collect a few Dutch coins, I regret exceedingly that certain changes in my personal affairs have put me in "Dutch" with the American Numismatic Society.

The amount at stake seems so very small, and yet I am unable to straighten out this and a few other things at this time. I assure you that I shall look forward to a reinstatement, with the hopes that I may not only bear my share of the burden in a membership way but also play a more definite part in your activities.

Thanking you for many courtesies, I beg to remain,

Sincerely yours,

George Revilo Carter
